

Pitch Schedule Advisories

In an effort to help you more easily and more conveniently confirm that all HBO on Demand (HOD) and Cinemax On Demand (MaxOD) assets have been received as scheduled HBO distributes a weekly "Pitch Schedule Advisory" report to all technical contacts at sites catching HOD and MaxOD content directly from HBO.

The HOD report is sent on the Thursday prior to the Monday HOD pitch and contains the HOD titles scheduled to be pitched through the following Saturday.

The MaxOD report is sent on the Tuesdays prior to the Thursday MaxOD pitch and contains the MaxOD titles scheduled to be pitched through the following Wednesday.

If you have any questions or suggestions, please contact the HBO Hotline at 212-512-5666, or email us at hodhotline@hbo.com.
