EVERY WEDNESDAY AT 10PM/9C
BEGINNING AUGUST 8TH HBO
An immature man faces an unexpected crisis when his girlfriend gets pregnant—and a girl still in college starts pursuing him! At the same time, his friends and his parents are experiencing problems of their own in this “unusually perceptive” (The Hollywood Reporter) comedy-drama. Zach Braff plays the confused father-to-be. With Jacinda Barrett, Casey Affleck and Rachel Bilson. Directed by Tony Goldwyn. Screenplay by Paul Haggis (Crash, Flags of Our Fathers). (AC,AL) R-1:44. HBO Aug. 4, 7, 12, 15, 20, 28

Political jokester Robin Williams runs for president as a gag—and wins! This satire stars the Oscar®-winning actor/comedian (1997 Best Supporting Actor, Good Will Hunting) as popular TV talk-show host Tom Dobbs whose shocking election gives the nation a president who leads with brutal honesty and outrageous antics. Christopher Walken, Laura Linney, Jeff Goldblum and Lewis Black co-star. (AC,AL,V) PG13-1:55. HBO Aug. 11, 16, 19, 22, 27, 31

Deadly snakes are unleashed on a red-eye flight in this high-altitude thriller. FBI agent Samuel L. Jackson is up to his eyeballs in venom as the nasty serpents sink their fangs into everything and everyone in their way—including the crew trying to fly the aircraft. It’s an action-packed ride from start to finish as Jackson and his fellow survivors fight off the slithering menace. With Julianna Margulies. (AC,AL,V,N,SC)R-1:46. HBO Aug. 25, 28, 31
In the coastal town of Imperial Beach, CA, live three generations of surfing royalty turned societal misfits. The Yost family’s reputation has been eroded by bad luck, addiction and hubris. But just when things can’t get any worse, a stranger named John arrives—and the Yosts’ banal existence is lifted into something profound, miraculous and, possibly, universal.

From David Milch and “surf-noir” novelist Kem Nunn come the final two episodes of the debut season of this HBO series starring Bruce Greenwood, Rebecca De Mornay, Brian Van Holt, Austin Nichols and Luke Perry. Widescreen. (AC,AL) TVMA/L-:57. HBO

For Vince, Eric, Drama and Turtle, life in Hollywood’s fast lane can be an intoxicating ride. In fact, Eric and Vince have taken on risky new roles—as producers—in all-new Season Four episodes of HBO’s hit comedy. After making big sacrifices to become producers of Medellin, Eric and Vince approach the only director who can make the film on a shoestring budget: Billy Walsh. But will Billy’s antics and insecurities make them critical darlings—or get them booed out of theaters? Adrian Grenier, Kevin Connolly, Kevin Dillon, Jerry Ferrara, Jeremy Piven and Perrey Reeves star. Widescreen. (AC,AL) TVMA/L-:27. HBO
Bill Henrickson works hard and plays by the rules. All he wants in return is a happy, normal life for his family. Is that too much to ask? Maybe so. For a polygamist like Bill, the American Dream comes with strings attached. HBO presents the final four Season Two episodes of this hit series about a businessman (Bill Paxton) who lives in suburban Salt Lake City with his three wives and seven children. As the season concludes, Bill faces a myriad of crises brought on by his dealings with an underground polygamist group as well as his usual troublemaking nemesis: The Prophet! Widescreen. (AC,AL) TVMA/L-:57. HBO

Jemaine Clement and Bret McKenzie—a.k.a. Flight of the Conchords—have brought their act to New York’s East Village with hopes of conquering America…one fan (literally) at a time. HBO presents all-new episodes of this irreverent musical-comedy series featuring the cutting-edge folk-comedy duo. In the series, Jemaine and Bret (playing naïve, fictionalized versions of themselves) move to downtown Manhattan, where their innocent, misguided efforts to find romance or land a gig rarely yield dividends, but do spawn an abundance of memorable tunes. Widescreen. (AC,AL) TV14/L-:27. HBO
All the world’s a stage—and Kenneth Branagh captures it all in this exotic HBO Films adaptation of Shakespeare’s delightful comedy that celebrates the power of love in all of its many disguises. Witty and magical, Branagh’s film chronicles a compelling romantic adventure in which the celebrated courtship of Rosalind and Orlando plays out against a backdrop of political rivalry, banishment and exile in the Forest of Arden—relocated to 19th-century Japan!

The cast includes Romola Garai, Bryce Dallas Howard, Kevin Kline, Alfred Molina and David Oyelowo. Widescreen. (AC,AL,V) PG-13:07.

As global tensions rise, the unthinkable threat of nuclear war has become very real—and very frightening. Through the powerful recollections of the survivors of the atomic bombs that leveled two Japanese cities in 1945, this film presents a moving look at the painful legacy of the first—and hopefully last—uses of nuclear weapons. Directed by Oscar®-winning filmmaker Steven Okazaki (1990’s Days of Waiting), White Light, Black Rain provides a comprehensive, moving account of the bombings of Hiroshima and Nagasaki from the unique points of view of Japanese and American witnesses. TV14-1:26.

Bob Saget has certainly made his name in TV history by being wholesome and family-friendly: he played the good-natured dad on Full House and later hosted the hilarious reality show America’s Funniest Home Videos. But on HBO, get ready to see an utterly twisted side of Saget! Performing at the Skirball Center for the Performing Arts at NYU in New York City, the comedian/actor/writer/producer unleashes a one-hour, adults-only torrent of material that touches on such disparate subjects as animal sex, poop humor, snuff videos, prison and single parenthood in Saget’s unique stream-of-consciousness style. (AC, AL) TVMA/L-:55. HBO Aug. 25, 30, 31

It’s shaping up to be an interesting last few months of 2007: gas prices are spiraling to record highs, while approval ratings for the man in charge plummet to record lows. Where can America turn to make sense (or at least fun) of all the madness? Real Time with Bill Maher! HBO’s politically incorrect muse returns to host more all-new editions of his cutting-edge, live talk series. Each show features an opening monologue, “roundtable” discussions with Maher and a guest forum, segments with other guests, and Maher’s popular “New Rules” segment that exposes some of society’s most absurd habits and institutions. (AC, AL) TVMA/L-:57. HBO
“The best news magazine on television—even if it is about sports” (Entertainment Weekly). Having earned 19 Sports Emmy® Awards, including ten for Outstanding Sports Journalism, Real Sports is TV’s most honored sports magazine. Featuring in-depth profiles and features on today’s hottest sports topics, this one-of-a-kind show goes beyond the box scores and statistics to take a provocative and entertaining look at the world of contemporary sports. It’s informative, investigative and controversial. Real Sports With Bryant Gumbel...nothing is out of bounds. (AL) TVPG/L-:58. HBO Aug.3,14,16,18,20,23,26,29.
